The ONE Campaign is a new effort to rally Americans, ONE by ONE, to the cause of ending poverty in our world and achieving the Millennium Development Goals (MDGs). Through political action, its goals include:

- \* Direct an additional one percent of the U.S. budget to address extreme poverty.
- \* Support debt relief for the world's poorest countries to help them meet the Millennium Development Goals (MDGs).
- \* Make the rules of international trade fair so all may benefit from the global economy.
