

## Bishop's Accountability

Moved by the Rev. David P. Gleason, Southwestern Pennsylvania Synod

The Evangelical Lutheran Church in America meeting in Assembly in Chicago Illinois on 11th August 2007 request the ELCA's conference of Synodical bishops to enter into discussion and consideration of the matter of the accountability of bishops to the adopted policies, practices, and procedures of the ELCA and to formulate a clear statement of such accountability for consideration and adoption by the 2009 Assembly of this church.
