

## Prayer for Renewal

Gracious God, we give you thanks for calling and gathering us together in this place. We praise you for the wonders and beauty of your creation. We marvel at your love made known through the life and death of Jesus Christ. You have set us free from the power of sin and death. We lift our voices, minds, bodies and hearts in thanksgiving. Fill us with your mighty Spirit so we become bold, clear witnesses to your love. Renew our congregations with passion and courage, creating beacons of light which point to you. Watch over us, your servants in Christ Jesus. Amen
