

“He who supplies seed to the sower and bread for food will supply and multiply your seed for sowing and increase the harvest of your righteousness.”

2 Corinthians 9:10

Shout with joy and thanksgiving for the abundant harvest! Your gifts to ELCA World Hunger and Disaster Appeal walk with neighbors around the world and close to home as they seek help, health, and hope. God’s glorious feast is prepared for all. Your gifts help this church to share our abundance with those who hunger, thirst, and search for home.

With your gift, you welcome to the feast those who struggle in hunger, poverty, and disaster. You welcome Francisco from Nicaragua whose fairly traded coffee helps his family secure a stronger future. You

welcome Zaudi from Ethiopia whose daughters now attend school because of greater community support for girls’ education. Our gifts, when combined with the determination of these neighbors and the strength of our partners, are multiplied, ensuring a more abundant harvest for the sake of the world.

The banquet table is overflowing with goodness, but still, over 800 million people daily experience the silent disaster of chronic hunger and poverty. Your gifts to ELCA World Hunger are urgently needed to help break the cycle of poverty for neighbors around the world and close to home.

Like the ripening harvest, God’s love is given in abundance. Thank you for sharing God’s love through your generous gifts to ELCA World Hunger.
